

# PRELIMINARY INVITATION

14 - 17 January 2015  
MAURITIUS

Dear colleagues,

we are pleased to announce you that the third meeting of the international working group on phytoplasma diseases will be held from 14 to 17 of January 2015 in the Republic of Mauritius, an island nation in the Indian Ocean southeast of Africa.

The main goal of our group is to bring together researchers from entomology, molecular biology, microbiology and plant pathology to increase and expand knowledge about phytoplasma diseases worldwide. Our meeting is therefore the forum for sharing information and strength and/or built interaction among all researchers involved in studying phytoplasma-associated diseases. We look forward to welcoming you in Mauritius.

On behalf of the meeting committees

*Prof. Assunta Bertaccini*  
Scientific committee

*Dr. Arty Gungoosing-Bunwaree*  
Local organizing committee - AREU of FARC

## Meeting venue

Republic of Mauritius

## Second circular

The second circular will be sent to those who have returned the attached preliminary registration form before January 20<sup>th</sup>, 2014.
